## Monthly Activities and Events Schedule

September 2024

### MANAGER'S CORNER

Happy Fall Ya'll ! We are excited to start re-vamping the look of your newsletter!

It is exciting to create the newsletter with some of our fall activities returning. There have been some changes, so be sure to check the schedules. Also—you can find all of this information on TWRTimes.com as well.

Bingo is back starting on the 9th. Bunco is moving to the main hall on Tuesdays (the divider wall will be used to separate the room into dual purpose usage). Country Breakfast is just around the corner too!

Did you know that any resident can put in a request for the use of any of the common area space to hold a private event, or one for the Tanglewood community. The request forms can be found in the office and the clubhouse. We have started to post the current monthly calendar for each room outside the respective rooms so that you can easily see the availability. I'm hoping to have a way to send these to TWRTimes as well to be shared on the online newsletter. You can advertise your events on social media and in TWRTimes, just be sure to include that the events are for Tanglewood homeowners/residents and their invited guests only.

Until next time, be kind and love one another!

Angi Cummins, Community Manager

### COMMUNITY IMPROVEMENTS

#### ACTIVITY BUILDING

August 9th through 25  
(Dates are tentative)

We are excited to announce that we are getting a new roof on the Activity Building this month. We anticipate the work to begin on August 9th.

The Billiards room, fitness center and the main room and screen room of the clubhouse will be closed during this time.

If you had an event scheduled and have not spoken with management, please reach out and we will do our best to accommodate you in another location.

#### CLUBHOUSE DANCE FLOOR

We will be stripping, resealing and polishing the dance floor the week of September 9th. We apologize for the inconvenience. Please refrain from walking on the dance floor and do not remove the barriers in place.

#### Year to Date Update....

We've gotten a lot accomplished so far this year! See below for a short list of just some of the projects your Tanglewood Team have completed!

- New LED Entrance Sign
- Repaired main hall wall partition
  - Replaced all gate arms

**COUNTRY BREAKFAST IS COMING BACK!**

Our country breakfast in October will consist of coffee, tea, fruit, juice, oatmeal, grits, and hash browns. This month sausage egg sandwiches and yogurt. Please join us. It's October 19th, 2024. Cost is \$8.00 per person. We serve from 8:15am to 9:15am.

We are also going to do something a little different this season. As you know Janice Briggs makes us these wonderful table decorations to give away every month. She also makes one that is a lot larger to put on condiment table. Every month we have someone asking for it. So we have decided starting in September that we will raffle the large one. We will sell tickets 3 for a \$1.00. The money will go to Janice for a charity of her choice. She spends a lot of time and money doing all these for us. And we would like to thank her in some way. Thank You for your continued support.

Steve and Irene Sykes and your Country Breakfast Committee

Judging will take place prior to the picnic so we can enjoy the meal without having to worry about our pets costumes.

This is a covered dish (potluck) event - if you have not signed up yet, it would be best so we know how many are coming and what you're planning to bring. Otherwise, just bring whatever makes you feel happy lol.

**LET'S  
TALK  
ABOUT  
ART**

On Monday, September 16th, the Tanglewood Art League will be trying something new which is purposely open to all residents and members. We will be having an open discussion of all forms of art. You do not have to be an artist, just interested in an art form. This will give all who wish to attend to either bring in their art or photography, etc. or just take a seat and discuss a painting, photo, museum, garden or anyplace where the art moved you, made you think, gave you peace, made you laugh, made you cry or touched you in any manner. The object of this discussion is for all of us to bring out our feelings of a particular artwork or place we may have traveled to that touched our lives or thoughts in a special way. Hopefully we will have some fun stories to share as well as a poignant moment. Cookies and tea will be served to send us on our way. The place is the Craft Room and the time is 1:00pm.

Thank you.  
Judith Eckstein, Secretary  
Tanglewood Art League
