We have several projects planned. One is a large duffle bag. We have several patterns to share. It should be easy and very useful.

Come join us for a fun season. Looking forward to seeing you there.

Medicare Annual Enrollment

It's that time again, Medicare Annual Enrollment. This runs from October 15th through December 7th every year. This is the time to review your plans with your agent. It's also time to see if your plan is still working for you.

Plans change every year as Medicare generally gets cuts every year. Plans work hard to balance those cuts to make sure your plan is still the best it can be. Some plans may have better benefits or lower copays. It all depends on what you are looking for to meet your needs.

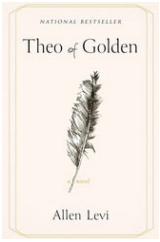

There is so much misinformation being passed around by well-meaning, but not well informed people. It's best to work with a local professional. I have been in the insurance business at a high level for over 20 years.

November 5th - 3:30 - 5:30 pm
November 12th - 11:00 am - 1:00 pm
November 19th - 2:00 - 4:00 pm
November 25th - 11:00 am - 1:00 pm
December 3rd - 3:30 - 5:30 pm

The above dates are when I will be in the Tanglewood clubhouse Community Room. These will be question and answer sessions and plan reviews. If you're a current client, I will give you your 2027 benefits guide.

You can also call to set up a time to meet privately at 239-910-1602. I live here in Whistle Stop and have been in Tanglewood for almost 9 years.

The Edwards Twins

SAVE THE DATE!...JANUARY 15, 2027 FOR THE ULTIMATE VEGAS VARIETY SHOW!

Remember all the wonderful variety shows we grew up on in the 70's & 80's? Now is your chance to see them live and re-created by Las Vegas's #1 impersonators of all time. The NBC Today show says "it's one of the most extra-ordinary shows we have ever seen."

Identical twin brothers Anthony and Eddie Edwards are the country's premiere Celebrity Illusionists! They perform over 250 shows per year around the country and the world. Combined, they impersonate over 100 celebrities with LIVE VOCALS...NO lip-syncing!

Carol Burnett played a major role in the Twins' success. When Eddie was performing on the premiere of her TV show, she suggested that the two brothers combine forces and do a show together. They took her advice and Eddie joined his identical twin Anthony, and they started to perform their own star-filled show.

Tickets are $35 each and are ON SALE NOW! Tickets can be purchased at Monday Coffee as well as every Thursday of the month in the clubhouse from 1:00pm – 2:00pm, OR by calling (863) 664-8661 to make alternate arrangements. Proceeds to benefit the Special Meals Committee.

Tanglewood Art League

On November 16th at 2:00pm please join the Tanglewood Art League in the Community Room when we welcome Kathie Caldwell, Environmental Educator at the Archbold Biological Station for her presentation, "Exploring Ecology Through Art." This workshop will demonstrate how art expression can facilitate connection with nature and understanding science. The presentation will begin with the wonderful art that Archbold's ecology summer camp participants have created over the years and how their artwork connects to Archbold's place -based research. Following the presentation, Katie will lead a nature journaling activity, where participants will learn how to keep their own log of the natural world around them. Materials will be provided, but, you are welcome to bring any preferred supplies.

Archbold Biological Station is a non-profit, scientific research station whose mission is to build and share the scientific knowledge needed to protect the life, lands and waters of the heart of Florida and beyond. Katie has been working at Archbold for five years, focusing on K12 programming . Her passion is connecting people of all backgrounds to Florida ecosystems.

This discussion is very timely as we all know how much of the Florida Ecosystem has been lost. Come join us and we will all learn together. There is no cost to you. Please just list your name in the Art League book on the credenza so that we have a headcount.
